Day 1. WELCOME TO KIEV, THE CAPITAL OF UKRAINE!

Arrive in Kiev and transfer to your hotel. Depending on when you arrive there may be time to explore the city.

Upon check-in, we explore some of the key sights of Kiev, including the ancient 'onion-domed' St Sophia Cathedral, its bustling main boulevard Kreschatyk, and the Golden Gates, the only remaining section of ancient Kiev's original fortifications.

After lunch we head the Lavra cave monastery complex, with its stunning churches and underground tunnels, and also Museums (of Microminiatures, of Treasures and other). Then we visit WWII Memorial complex with its famous "Mother Motherland" statue and unique collection of Soviet Union military equipment.

This evening we may have the opportunity to visit the opera, if you wish (depending on availability and dates of performance), or simply take a chance to ride a boat along Dnieper or relax at the Botanic Garden.

Overnight in Kiev.

Day 2. KIEV THE JEWISH

Start the day with visiting of Baby Yar, the steep ravine where over 100 thousand Jews perished during Holocaust, and pay tribute to innocent victims. Yet as you'll see, Jewish life goes on!

Explore two major areas where Jews were allowed to settle in late XIX - early XX century:

Jewish Podol ("Flat" Police District) - Discover the area where houses and mansions of Jewish rich merchants and industrial tycoons border with apartment buildings of the neediest strata of Jewish population. Learn a mysterious story of the construction of Podol Synagogue and also see typical prayer houses; immerse into the controversial world of Judeo-Christian relations (Kyiv-Mohyla Academy, a spiritual academy where Hebrew was one of mandatory subjects and Jews were preferred lessees, as well as the church of father Glagolev, the Christian priest, who was a principal defendant during the infamous Mendel Beilis case (blood libel); see the house of Fanny Kaplan (who allegedly attempted at Lenin's life and that case was used by Communists as an excuse to launch Red Terror), and more...

After savoring traditional Jewish cuisine during kosher or kosher-style lunch, we will continue with Jewish Bessarabka ("Lybedsky" Police District) – discover heritage of Brodsky family (Great Choral "Brodsky" Synagogue, Bessarabsky market, former Merchant's Synagogue); learn about Kiev days of Sholom Aleichem; find out more about the role of Kiev in the shaping of world Zionism (Houses Trumpeldor & Golda Meir) and more...

Evening is free. Optional attractions are available upon request (eg. Night Kiev Tour, etc.)

Overnight in Kiev.

Day 3 BELAYA TZERKOV & UMAN' (early departure from / late return to Kiev)

Today we wake up early to leave Kiev and head for the Jewish shtettles quest. Belaya Tzerkov (White Church) town is ahead.

As we arrive to Belaya Tzerkov, we see majestic of the Great Belaya Tzerkov Synagogue (one of the largest in Eastern Europe), historic site of Jewish market, the house of Sholom-Aleichem during his Belaya Tzerkov days. Also we visit Jewish section of Belaya Tzerkov cemetery to pay tribute to children shot by Nazi (the first registered case of Nazi killing children during Holocaust) and see peculiar designs of typical Soviet-style gravestones.

After a light brunch, the relaxed bus-ride brings us further to the South, and here is Uman. (Option: instead of the brunch in Belaya Tzerkov, snacks/sandwiches en-route).

First of all we will hurry to the grave side of the world known Tzaddik, Rabbi Nachman of Breslov. Years ago he willed to be buried in Uman, to rectify the souls of innocent victims of one of the most horrible pogroms in the Jewish history of Ukraine, known as "Koliivschina", when in June 1768 over 20 thousand Uman Jews were ruthlessly killed by Kossaks. Whether you chant *Na Nach Nachma Nachman Meuman* or not, you too may receive Rabbi Nachman's blessing by praying at his grave and leaving the gift of charity.

Have a lunch at the site of Sophiivka Park - one of the most gorgeous parks in Europe. This park, a masterpiece of world garden-park art of end XVIII - begin XIX ages has a romantic story behind its creation: it was founded in 1796 by rich polish magnate Stanislav Schensny Pototsky in honour of Sophia, his beautiful-Greek wife, and was presented her at day her name-day at May 1802. The idea of creation of park in romantic stiletto with use of Roman and Greek mythology belonged to most Sophia.

After a romantic walk (or a horse ride!) along the shady alleys of Sophiivka park, we depart to Kiev.

This tour is over, yet we are eagerly looking forward to your next visit, as JUkraine has yet a lot more exciting and thrilling adventures for you!
